Amos cries out "But let justice roll on like a river, righteousness like a never-failing stream!" and so we are called to join the river of justice and peace, to take up climate and ecological justice, and to speak out with and for communities most impacted by climate injustice and the loss of biodiversity. Season of Creation is an ecumenical celebration uniting people around the world through prayer, advocacy, and sustainable actions. We invite you to join us and be part of this mighty movement. May we journey together to let justice and peace flow!
